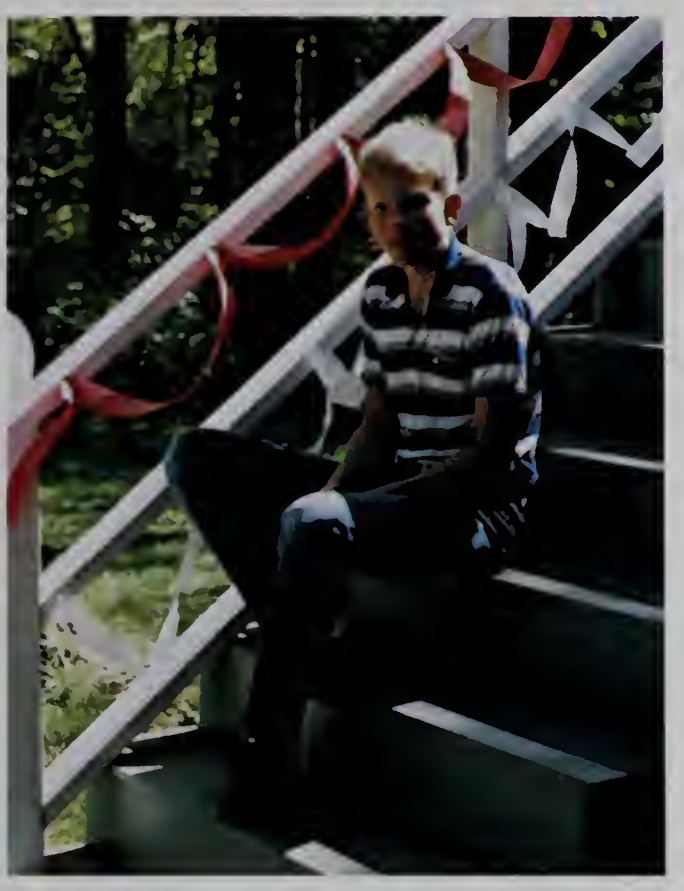
Our Last Look

Senior year is a time to look back on old times and to look forward to the new. We have chosen "Our Last Look" for the 1987 theme, because we believe that a yearbook is our last look at our school days from junior high to our final year in high school.

In this book, we will take time to look back and reflect on special moments with friends, teachers, and team mates. In addition, we will reminisce about memorable school times and play times.

We have tried to compile these precious memories into a keepsake that we hope you can be proud of. It is our sincere hope that this yearbook will provide the best possible "Last Look."

1987 UNITAS Staff



Pat Degerman, an exchange student from Finland, taught us his culture through his friendly grin and charming personality.

Younger Years

"Special Times"

As we look back on our younger years, we remember all of our special times together.

When we were younger, we learned about friendships and relationships which helped us to develop the maturity we have today. We didn't always like what our parents wanted us to do. Now as we travel the paths which we have made, we realize our parents did it for our own good.

Even though we came from different towns, we have all come together as one to unite the class of nineteen eighty seven. Meeting new people and learning about how one another live and function is always a good learning experience.

So, as we graduate from Bridgewater-Raynham, to the class of 1987 B-R will be a memory just as our younger years are a memory.

Special Times

Bridgewater-Raynham is a school made up of two towns that include various types of students. Although different in many aspects, we have all needed friends to help us through these four years.

High school years are some of the toughest times of our lives. Trying to adjust to a new school, getting piled down with work, and fearing what the future may hold, brings us all down at one time or another. But our friends have been there to lend a hand, give a hug, or just a piece of advice.

Happy times have also filled much of these four years, and our friends were the ones with whom we shared them. Together at football games, rallies, proms, and parties we have laughed, cried, and shared our special moments with one another.

Whether revealing their innermost secrets or just giving a simple smile, our friends have made us feel special. They have given us a reason to look forward to school everyday. The new friends that we have made at B.-R. and the old ones who've stuck by us, will always remain a part of us as we take our steps into the future.

Sports

Importance of sports is not necessarily being the best there is; it's doing the best you can. That was B-R's motto.

In listing our outstanding accomplishments, we start with B-R's first, but not last, trip to the Superbowl. Our boys soccer team won the OCL Championship title for three consecutive years. Also winning a tremendous championship was the baseball team. A lot of our teams went to the state tournament. These teams include: girls soccer, girls and boys tennis, field hockey, girls basketball and gymnastics.

Excelling in sports is one of the things the class of 1987 did best!

School Days

During the past four years of our lives, we have probably spent more time at B-R than in our own homes. We have grown up a lot since we first walked through the doors as freshmen. Teachers and friends have taken the places of family and have helped us mature and reach our potential. It is only now, as we prepare to move on, that we realize how important the time we spent at B-R has been in shaping our lives. We came to B-R without direction, and with the encouragement of the people around us, we have developed goals that before we only dreamed of. No matter where we go and what we become, we will always remember our 'school days'.

Special Times

The past four years have been special and can never be replaced. During these years we have shared memories of the proms, rallies, the superbowl and the Christmas party.

The good times we shared and the special times of our high school years will be in our memory forever.

Our Past

The past four years we have shared the best of times. B-R has shown us the meaning of the word responsibility. Seemingly everlasting moments often became a blur in the mind. But none the less this period was indeed without tranquility and therefore all the more noteworthy.

The past is most likely to be our only defense against the future. Reminiscence guides the lives of all as we move on to the future . . .

Dedication

With sincerity and love, we the class of 1987 proudly dedicate this yearbook to Mr. Richard Scarano.

As a devoted science instructor, Mr. Scarano has gone far beyond the standard limits of a teacher. He has reached out a helping hand and lent a sympathetic ear whenever any student needed a friend to confide in.

This man, known by his students as "Doc", has dedicated his time and energies to the pursuit of academic excellence while maintaining a pleasant environment to learn in.

In addition, he has helped us to grow from ignorant freshmen to well-informed, mature adults.

Because of his charisma, spark, and mischievous grin, Mr. Scarano is well-liked by both faculty and students. He will certainly be forever held dear in the hearts of everyone he has touched.

It is indeed an honor to say;

"Doc, this one's for you."

At this time we would like to take a moment to thank Mr. Armand Gendreau for sharing his time and wisdom with his students. Being sensitive to individual wants and needs, Mr. Gendreau always lent a helping hand whether it was a personal problem or one dealing with U.S. History. It is our sincere hope that he has a happy and prosperous life.

As the physician for all sports' teams and a faithful football fan, Dr. Hector Douglass showed us the meaning of the word, devotion. This well-liked man, continued to undertake the responsibilities of medicine even after his retirement. We would like to thank him for his committment to us and our school.

We also wish to remember Mrs. Betty Dowd. We will miss her smile which greeted us in the office. For thousands of kids Betty meant the spirit of B-R. We wish her a happy retirement.

Capeway Junior Miss

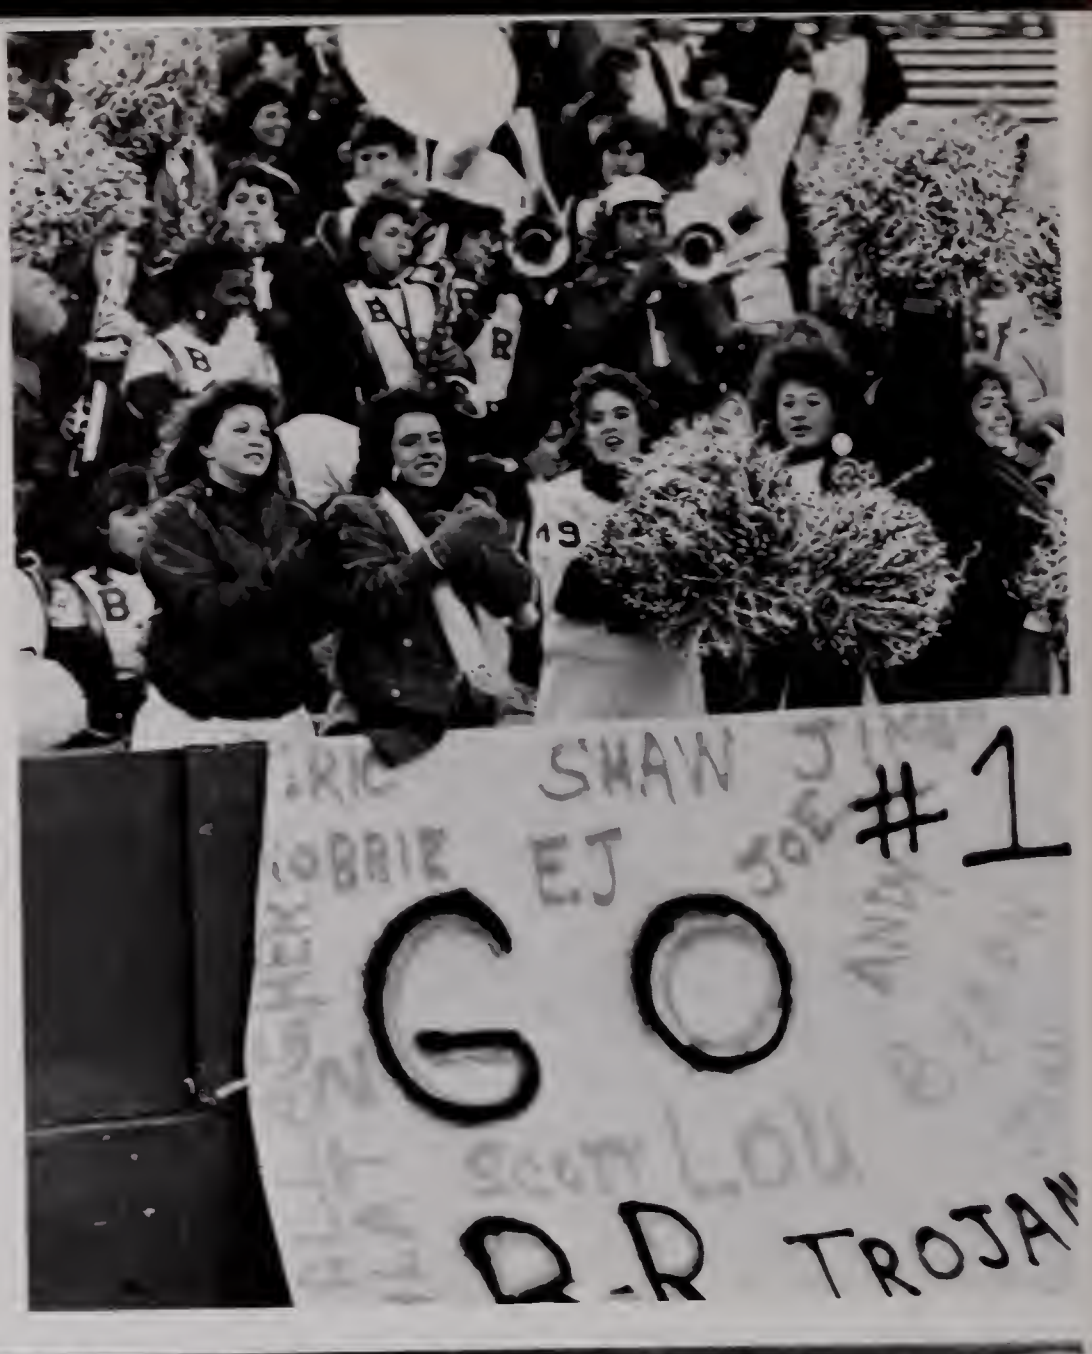
In this year's Capeway Junior Miss Pageant, Bridgewater-Raynham was represented by Becky Calusdian, Missy Cox, Maura Flynn, Michelle Gori, Kristin Hamel, Lori Hicks, Anne Hinko, Lauralee Mangelson, Kathy Moore, Heather Ratcliffe, Erin Sherry, Dawn Tibbets, and Kelli Turner.

All contestants were judged in the following five categories, Scholastic Achievement, Creative and Performing Arts, Physical Fitness, Poise and Appearance and the Judges Interview.

Among these talented girls from B-R, two placed in the top six; Michelle Gori, who was also the recipient of the Spirit Award and Stephanie Zonfrelli.

We applaud their effort!!!

Superbowl



1986 was yet another great success for the Bridgewater-Raynham Trojans football team. Townspeople come to the games in great numbers to see just how potent their hometown team was. What they saw was an exciting brand of football from a team that could score from any point on the field. The hard work and dedication of these athletes during the season culminated with a post-season bid to the MIAA Div II Super Bowl.

Super Bowl week finally come. Practices at Boston College and Sullivan Stadium excited every player. Signs on local businesses served to motivote the team to a greater extent. The game came to a disappointing end as Xaverian triumphed over B-R by one point but I am sure no player will ever forget that experience.

Miss Regional Dance

This year's Miss Regional Dance was held on Friday, November 21st in our school gym. Unlike the past Miss Regional Dances, this year was a huge success. The evening's highlight, of course, was the crowning of Miss Regional and her court. Court members were: Joanne Bonanno, Lorna Morwick, Kathy Moore, and Stephanie Zonfrelli. Chosen as Miss Regional of 1987 was Jennifer Swanson.

Christmas Party 1986

Senior Christmas Party 1986 was a big success! The DJ provided excellent entertainment for the two hour bash held in the dining room. Adhering to tradition, many seniors appeared in costumes ranging from a plastic trash bag to a full-fledged Tweetie Bird. Prizes were awarded to Kim Chadwick for her bear costume and Tim Dorr for his costume of a man walking on his hands. Everyone had a great time!

Junior Prom

The class of 1987 held the Junior Prom in May at Lantana's, in Randolph. Our theme was "This Could Be The Night" by Loverboy. All the music was provided by a DJ. This night will be remembered by all as one of the most special times of our lives.

Thanksgiving Rally

This year's 1986 Thanksgiving Rally was a huge success with the seniors once again running off with the title of 'winners'. Although the great display of pride and spirit, the blast of the band, and the shouting of the B-R cheerleaders caused everyone to leave with his head spinning, it did achieve its soul purpose: To Beat The Taunton Tigers!

In Memoriam

MEMORIES LAST

In 1977 Chuck accepted the Lord Jesus Christ as his own personal saviour. This gives great joy to his family and all his christian friends for we believe we will see him again in heaven. By my observation he seemed to have lived a just and upright life in a time difficult for all young people.

During Chuck's brief life here with us on earth he has given great joy and love to people ranging in ages from 8 months to persons well into their 70's. He touched people very quickly; he was considered a big brother to those who were younger and a son to those much older than he.

Chuck showed himself to be a loving son to his mother and to others. Through many troubled times he showed his compassion. His words were always "Don't worry everything will be all right trust me." I never knew him to be aggressive causing anyone harm.

I would like to extend our love and sympathy to his family and friends who felt they were somehow in control of this unfortunate accident. For we know that the Lord is ultimately in control of all things and He alone. So we say "Thy will be done on earth as it is in Heaven."

Life is a perpetuating cycle. The Lord gives life to an infant and the Lord may take that life at any point in time. We all have a master plan designed by Him and it is not for us to reason why but to accept what we cannot change for God makes no mistakes.

I would like to thank each and everyone of you for your prayers and support during this difficult time assured that Chuck has gone to be with the Lord Jesus.

His Father

Charles Kazemekas Jr.

He made us laugh, our times were fun
Top of the list, as loyal friends run.
He'll never know the crowds that gathered
To show their love, was what really mattered.

The time we shared was much too brief
Echoes our hearts, as we felt our fried.
Minds aimlessly wander, still wondering why
Wishing one chance, for a proper good-bye.

But over my shoulder, his presence is felt
Bringing beautiful memories, my heart does melt.
Although we're apart, the bonds are strong
The essence of his love, forever is our song.

It was led by senior Co-Captain Heather Ratcliffe and Co-Captain Stephanie Zonfrelli. Other leaders were Jen Cain, Jen Booth, JoAnn Bonanno, Judy DeAndrade, Jackie Duffy, Kelly Gillis and Jen Swanson. This years team was coached by Miss Debbi Robbins and Mrs. Lisa White. Golf

The 1986 B-R Golf Team, coached by Mr. Pimental, had a rebuilding year. The team had only one senior, Captain Mike Cox. Seven juniors will be returning for the 1987 team. The new co-captains will be John Reilly and Tim Monahan. After a 4-11 record this year, the team looks like an O.C.L. contender for next year.

Football

The 1986 Trojans Football team coached by Frank Almeida had a fantastic season with a record of 10-0-0 under senior captains, Jeff lafrati, Mike Harty, John Schlatz, and Lou Pacheco.

Other outstanding seniors were A. Yelle, E. Cedrone, T. Wyman, J. Shaw, J. Bunar, J. Estrella, B. Donovan, S. Mailloux, and J. Aseph. Finishing 1st in the Old Colony League, the B-R Trojans were again, for the second year in a row, brought back to play in the Superbowl.

The team worked hard for every inch. The coaches really worked them hard to be the best they could be. The team played outstanding together and the players as well as the coaches, deserved the O.C.L. Championship. Always remember, WE ARE B-R!!!

Boys' Soccer

This year the 1986 boys' soccer team led by Head Coach George Pacheco captured its eighth Old Colony League Championship. However, the team had to share the title with rival Plymouth - Carver. The team made it to the State Quarter finals, losing to P-C with a score of 1-0.

For the year the team ended with a good record. All American Senior Co-Captain Phil Sheridan led the way by breaking Steve Cass's State scoring record with 178 goals. Other leaders were Co-Captain Ryan Feeney, Co-Captain Corey Hutson, David Hathaway, Bob Murray, Brian Burke and Blake Feeney.

Field Hockey

This year's Field Hockey Team put in a great effort. Their record does not tell you the entire story. The co-captains Pam Jenesky and Kathy Moore put in 110% of their time and effort to have the best season they possibly could. The other seniors, Maryanne Hutchinson, Terri Knight and Missy Poirier, also put in a great deal of effort. Unfortunately, their steadfast determination was not enough to win them the OCL title. The team had six wins altogether.

Coaches Mrs. Casabian and Miss Farrington played a big role in the team's six wins. Without the guidance of these coaches the team would not have gone this far.

Although this season did not fullfill the team's expectations, with the new talent from JV moving up, we hope that next year will be a successful season.

Boys' Cross Country

Although the boys' Cross Country team only posted a few wins this year, it had one of its most impressive seasons ever. Next year hopes to be an even better season with three returning juniors and two sophomores. This year's team was led by Ed Foote, Mike Washburn and Dale Harris and coached by Coach Jennings.

Coach Jennings, D. Harris, M. Washburn, E. Foote, G. Pudowski, M. Moran

Girls' Cross Country

Even though this year's girls' Cross Country posted no wins in the win column, it showed strong improvement from last year. The team should have a strong showing next year with five returning members. This year's team was led by Kim Jensen, Lori Brown and Dianne Martin. Other members were Jen Prophett, Hillary Greg and Allyson Willis.

Although the wrestling team failed to capture the league title, the team showed great character as they tackled much adversity. The team suffered many early injuries, that ended the season for key members of the team. However, the team with a mix of older and younger boys rose to the occasion many times to post a very successful 15-5-2 record.

The biggest win being over OCL rival Marshfield, when B-R nipped the Rams 27-26 to hand that team their first defeat of the year. The team also saw great individual performances, as captains Toby Wyman and Mike Harty had undefeated seasons. In the Division II South Sectional tournament held at B-R, the team finished 5th in a field of 18 teams. Individual place winners were Scott Firman, 3rd, Jeff Timmins; 3rd, Kevin Perry 5th, Mike Harty; 2nd, and Toby Wyman 1st.

In a sport that demands hard work and dedication, the wrestling team deserves alot of credit, as they did a most admirable job in continuing the B-R tradition of great wrestling

Boys' Basketball

The Bridgewater-Raynham boys' basketball team had a disappointing season. Due to injuries to Scott Enos and Keven McKenney at the beginning of the season, the Trojans could never put a successful nucleus together. Despite the lack of success the team never gave up. Led by the scoring of Capt. Scott Mailloux and the rebounding of Andy Yelle the Trojans were never out of any contest. Dan Woods, John Bunar, Keven McKenney, Dale Harris, James Tebou, Chris Sellgren, Shaun Priest, and Chris Moscardelli also put in valuable time.

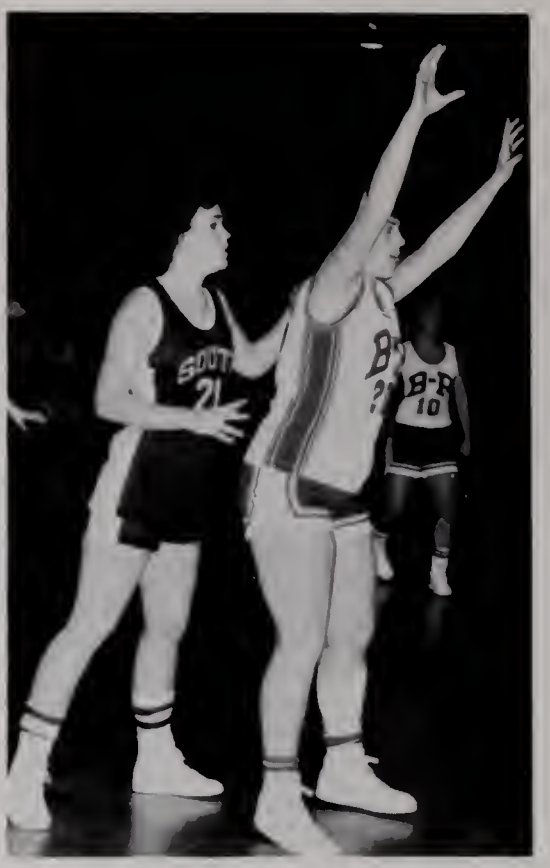
The J.V. team finished an up and down season a little over the .500 mark. With the returning underclassmen the boys' team shows a lot of promise for next season.

The Basketball team would like to thank the coaches, and all who helped during the season.....

Girls' Basketball

The girls' varsity basketball team led by Coach Cuniff won its first Old Colony League title in the history of the school. With regular season play finished, the team ended with an impressive record of 18 wins and 2 losses. Going into post season play, the team was seeded number one in the South Sectional state tournament.

Surprisingly enough, the Trojans' strength came from the very talented freshmen as well as from the experienced seniors. Led by captains Pamela Jenesky, Anne Hinko and Lauralee Mangelson, the Trojans with speed, good outside shooting, and lots of teamwork were able to reach a new plateau.



Varsity: Front Row (L-R): S. Quinn, D. Neuber, CC L. Mangelson, CC P. Jenesky, CC A. Hinko, G. Hall, K. Perry. Back Row (L-R): K. Eckman, L. Stewart, C. Tebou, J. Mead, K. Morast, J. Cedrone.

Hockey

This year's varsity hockey squad was led by senior captains Steve Bonanno and Bob Farland. Despite the 2-13 record, the Trojan team faced, it was another maturing season.

The squad never gave up and team members always put out their best efforts to obtain self satisfaction as well as team commitment.

Seniors Adam Benigni, Mike Cox, Mike Powers, Chris Richards, Bob Farland, and Steve Bonanno had successful four years and looking ahead, they all see more victories for their underclassmen peers.

The B-R winter track team finished the year with a 2-3 record. Although the record does not show it, the team came very close to winning the OCL title. The three losses were decided by only four points. With these four points, the team would have gone undefeated. The team's placing second in the league meet proved that this year's track team was as good as any of them. Led by Captain Ed Foote this team gave a season's performance that should be looked on with pride

This year's Winter Track season was an encouraging start for a promising team next year. The members of the girls' track team were: Jen Booth, running the hurdles and the 4 by 1 lap relay; Jen Cain, running the 300 yd. run, high jumping, and the 4 by 1 lap relay, and occasionally the 4 by 440 relay; Missy Poirier and Shawna Lappin throwing the shot put; Tammy Drysdale, running the 1,000 yd. run and the 4 by 440 relay; Karen Merritt, running the 600 yd. run and 4 by 440 relay; Kristen Worcester, running the mile and the 4 by 440 relay; Lori Brown, running the 2 mile; Tiffany Hutson, running the 50 yd. dash, high jumping, and 4 by 1 lap relay; Jill Tanares, running the 4 by 1 lap relay, throwing the shot-put, and the 300 yd. run; Kelli Timmins, running the 4 by 1 lap relay; and Liz Wynn, high jumping. Tiffany, Liz, Missy and Tammy made it to the M.I.A.A.

Softball

The 1987 softball team will be led by co-captains Jennifer Swanson (1985 All-Star), Kathy Moore, and Chris LaGrasta. The determination and spirit within the team will hopefully lead to a winning season, if not an OCL victory. Infielders Sue Quinn (1986 All-Star), Kathy Moore, Tina Murray, and Cheryl Tebou are expected to keep a tight defense. Kelly Stevens (1986 All-Star) will be doing the catching duties. Outfielders Chris LaGrasta, Maureen Reardon, Liz Willis, and Crispin Phillips will be ready for anything their opponents manage to hit off of pitchers Jennifer Swanson and Kim Brown.

1st row (L-R): Kathy Moore, Jennifer Swanson, Audrey Abney, Chris LaGrasta, Tina Murray. 2nd row (L-R): Coach Dillon, Liz Willis, Kim Brown, Sue Quinn, Crispin Phillips, Cheryl Tebou, Maureen Reardon.

Baseball

The 1986 baseball team, under the superb coaching of Stan Holmes, finished the season winning the OCL with a record of 11-5, and an overall mark at 15-6. The team made their second straight tournament with their young talent.

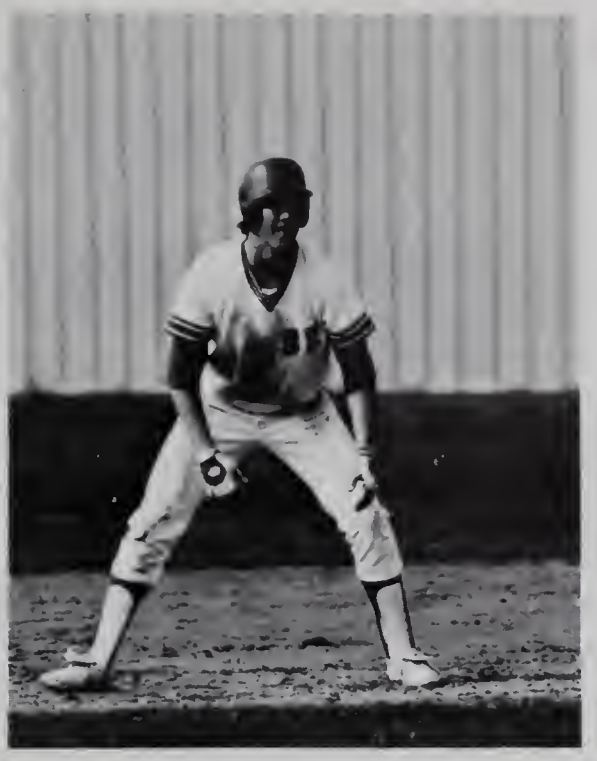
At one point, the team's record was 1-4 in league play and the maturity of the young players came through by winning the next 11 out of 12 games to win the OCL and clinching a tourney birth.

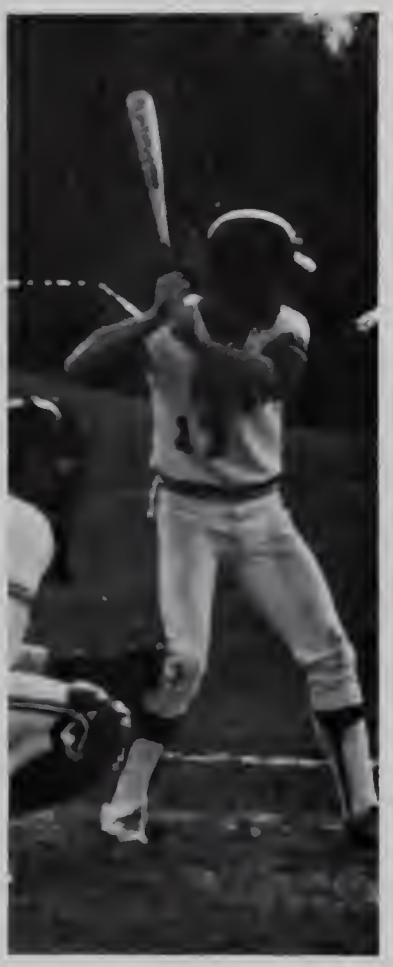
The Trojans had the best outfield in the league. They consisted of the leading hitter, Jeff Iafrati, the superb arm of Bill Donovan, and one of the catylists of the team, Scott Mailloux.

Captains Jack Welby and Phil Lecuyer proved themselves by turning many double plays. Eric Baacke pitched well throughout the season, but came up short in the states against Xaverian. Ryan Feeney, one of the best catchers in the state, was also a good hitter. Tom Sarcoine, John Estrella, Kevin McKenny, Scott Blake, Mark Zides, and Bob Knowles all contributed greatly to the overall success of the team.

With hard work and luck, the Trojans should repeat as OCL champs and have a crack at the Division I state title. Returning seniors will be Jeff Iafrati, Bill Donovan, Scott Mailloux, John Estrella, and Ryan Feeney. Scott Blake and Kevin McKenny will return for the juniors.

1st Row Left to Right: M. Zides, E. Baache, B. Knowles, J. Welby, P. Lacuyer, T. Sarcoine, M. Desisto. Top Row: J. Estrella, S. Blake, S. Mailloux, R. Feeney, J. Iafrati, B. Donovan.





Boys' Track

The boys' spring track team finished the season with a disappointing record. Although as a team, they were not state finalists, individual performances proved to be of outstanding quality.

Lou Pacheco, John Shaltz, Mike Gallager, Mike Washburn, Ed Foote, and David Giamperoli all proved to be masters at their event.

Mike Gallager, the star of the team, outshined all 100 yard dash participants at the Brockton Invitational, by clinching first. He then went on to bring home a second place from the states.

Because they only lost a few seniors last year, this year's track team is sure to be a real winner.

Girls' Track

The 1986 track team ended a very successful season placing second in the league. Led by captains Chris Gebo, Amy Doherty, and Naomi Mitchell, and coaches Carolyn Cunniff, and Philip Capen, the team worked hard, accomplishing many of their set goals.

Aside from the regular season, many members of the team qualified for invitationals and state meets. Winning places at the Falmouth Invitational were Diane Neuber, Missy Porier, Shonna Lappin, Kelli Turner, Katie Downs, Tammy Drysdale, Liz Wynn, Pammy Jenesky, and Tiff Hutson.

Congratulations to Diane Neuber, Missy Porier, Tiff Hutson, Chris Gebo, Kelli Turner, Jen Cain, Jen Booth, and Liz Wynn, who all made it to the All-State meet.

With most of the team returning for the 87 season, the girls expect to have another winning year and an even better record.

Girls' Tennis

The 1986 girls' tennis team, headed by Coach Nawlicki and Assistant Coach Robbins, had a very successful season, ending with a berth into the State Tournament for the first time ever. The team's season consisted of 10 wins and 6 losses. The team was lead by captain Maryann Hutchinson, Heidi Higgins, Kim Chadwick, Cathy Hutchinson, and Lauren Matthews.

Boys' Tennis

The boys' tennis team headed by Coach Pimental, had a fine 1986 season with 10 wins and 6 losses. They impressed all with their berth into the State Tournament. With all the varsity players returning along with the improving junior varsity players, the next few seasons should be strong ones.

Gymnastics

The 1987 Gymnastics team placed second in the OCL. The teams only loss was to the defending champions, Weymouth North.

This years team was led by senior captain Kelli Turner, who was chosen for the OCL All-Star team as one of the league's top three all-around gymnasts. Sophomore all-arounds Tina Pacheco and Terri Lemon helped add to the teams great season. Both Pacheco and Lemon were chosen for the All-Star team in two events and also qualified for state individuals.

With Coach Pacheco's enthusiasm and alot of young talent the team is looking forward to another great season next year.
